Hello Northlea Families,

More than 75 parents and caregivers filled the Northlea library last night, where Toronto Police Staff Sergeant Moyer was our special guest. Much information was provided, and many questions were asked, about two recent attacks on students travelling to and from school.

Late this afternoon we learned that the matter discussed remains before the courts, and will be reviewed in 30 days. We have been assured by Sergeant Moyer that there is no risk to the community during this time.

On behalf of the Home and School and the School Administration, we would like to thank Sergeant Moyer and all the parents for taking time out of their schedules to come out to discuss this important community concern.

An update of another sort has also come in: great results in Sarah's Food Drive: Northlea collected 6,550 pounds of food! Did we 'win' the School Challenge? Be sure to read about it on the website: [here](#).

And finally, more than 100 Northlea runners raced today at the North Conference finals at Earl Bales Park. Northlea once again excelled, and great fun was had by all. We expect more than 40 students (grade 4-8) to qualify for the City Finals. It was also marvellous to see ten students from the DD classes of Mr. Albrecht and Mr. Mohammed take part in the barrier-free race on the same course!

Other important events and dates coming up:

- Tue.Oct.21: *Final, Hard*, Deadline for QSP envelopes!
- Tue.Oct.21: Family & Mental Health speaker at John Fisher
