H&S and Council Meetings May 27: Funding Allocation

This coming Wednesday is one of the most important parent meetings of the year. Through incredible efforts from many organizers, and with support of the entire community, Northlea is blessed with successful fundraising. The process is exceptionally transparent and democratic. If you want a say in how H&S fundraising monies are spent, make sure to come to the Home & School Meeting this Wednesday, May 27, from 6:30pm in the Library. All proposals are available online: [here](#).

Keep those Yearbook Orders coming!!

Did your child participate in school activities this year? Chances are his/her picture is somewhere in our 2014/2015 yearbook (along with the class photos). And if they are graduating this June, then make sure to get your order in as they will want to relive those special memories with their friends and exchange autographs at year end.

There are two ways to order the 2015 Northlea Yearbook:

1. Submit the yellow forms which were sent home earlier this week (extra copies available in the office) or,
2. use the convenient Paypal system that lets you order online: [here](#).
