Wednesday, November 25, 2015.

Hello Northlea families,

From yesterday, your children should be coming home with information about the launch of our annual QSP magazine fundraiser.

In the past we have sent packages home in hard copy. In an attempt to be as environmentally-friendly and streamlined as possible, the Northlea Home and School Association has decided to try an online-only QSP program this year. We hope you will find this easy and convenient to use, and just in time to help you with your holiday shopping!

Please remember that funds raised through this campaign, as with all fundraising done by Home and School, directly benefit your children through the Home and School's financial investment in an enriched learning environment for all Northlea students, as voted on by parents and caregivers each spring.

To the right, please find the flyer explaining how the new online QSP program works (PDF: [here](#)). In short: the weblink is www.qsp.ca, register the student(s), and make sure to use the Northlea Group id of 3722451. To qualify for prizes, orders need to be entered by December 14.

Our QSP Online Fundraiser Starts TODAY!
