Hello Northlea families,

We are pleased to announce that the new Extra-Curricular calendar of lunch-time and after-school programs has been published. You can find it: [here](#).

A few points to note:

- Registration starts December 4, and closes December 18
- Programs start January 4 (first week back at school)!
- Registration is first come, first served.
- Many exciting new programs have been added, including two from new providers: Magic & Science by Spellbinding (gr 1-6) and Computer Coding by Hatch (gr 5-8).

Organizers of the latter are offering a demonstration class on Friday, December 4 at 3:45 pm in the school library).

Holiday Hampers

With the holidays coming up, Northlea is participating in the Holiday Sharing Project. This annual Northlea tradition is spearheaded by Northlea staff in support of the YWCA Women's Shelter; each classroom supports a specific family by collecting food items, toiletries and gifts.

A letter went home with the kids in the past week containing all information, including a list of donation suggestions and a family profile; this should enable Northlea families to donate more appropriately for their particular class' family.

In case your family did not receive this communication, please read more [here](#) (minus the individual class profiles). Over the years, Northlea has generously supported this very worthy cause, so let's continue this tradition, Northlea!
