

Home and School Membership

For many decades, Northlea has been a member of the Ontario Federation of Home & School Associations (OFHSA, www.ofhsa.on.ca). Members have all the rights and privileges offered by OFHSA. This membership provides our volunteer-members with liability insurance for H&S events, access to workshops and organizational support, and participation in a provincial network of parents.

Last year, Northlea's H&S raised \$60,000, which was allocated to various proposals from the entire school community to the benefit of the students at Northlea, including the Kindergarten Playground and Technology.

The Home & School Association also organizes a number of events, like the Welcome Back BBQ, Staff Appreciation Lunches, and much more. Its meetings are informative, topic based, and provide opportunity for dialogue between the School Administration and parents on all aspects of the school.

Be involved, and be informed, by joining this year!
