Tuesday, June 28, 2016

Dear Parents,

The three of us wanted to again wish you all the best over the summer. We hope it is a relaxing and enjoyable two months.

Please see our first day procedures below:

Our Grade 1-6 students will convene at **8:35 a.m.** on the back soccer field where there will be tables set up on the track. Parents please approach any table to find out what class your child will be in. Each table will have a complete alpha list and families can choose their line-up. After you find out the name of your child's teacher please look for that teacher who will be holding a sign at the back of the school.

In the event of rain, please proceed to the north gym.

Students in Kindergarten will convene in the south gym between **8:35 a.m.-8:45 a.m.** where they will find out the name of their child's teacher.

Our Grade 7 and 8 **students** are asked to come at 9:30 a.m. and enter through the north gym door. The gym doors will be locked until 9:30 a.m. We will have the class lists posted in a couple areas in the **gym** and staff will direct the students to their classrooms where intermediate teachers will be waiting.

See you on Tuesday, September 6!

David Ehrlich
Principal
