Hello Northlea Families,

What a FABULOUS week!

On Wednesday, Kilometre Club started, and with an average of 240+ kids, siblings and parents coming out each day, together our community has now run a whopping 1764 kms! Adding up five years of mileage brings us from the east coast across Canada, the Pacific, Japan, Korea, and deep into China. Next week we will reach Nepal!

Speaking of Nepal, many \$100s were collected today for the fundraiser organized by the Student Leadership Council. More donations are welcome, and the TDSB is making a big effort too: read more (including a TDSB letter), at northleaschool.ca: [here](#).
